

Maksym Stopin

m.styopin@mu.edu.ua

Maksym Stopin started his career after graduating from the Mariupol Institute of Humanities of Donetsk National University (speciality "Language and Literature (English, New Greek)") in 2003 as an Assistant Teacher at the Department of English Philology of the above-mentioned University. Since 2011, he has been a senior lecturer at the same department. Since 2016, he has been a member of the Academic Council of the Faculty of Foreign Languages and has been acting as Deputy Dean of the Faculty of Foreign Languages, tutor of educational programmes at the Department of English Philology and guarantor of the educational programme 'Secondary Education. English Language and Foreign Literature'.

The sphere of professional and scientific interests of M. Stopin is the organisation and effective support of distance learning. He is certified as a distance learning tutor and actively participates in scientific conferences and seminars on distance education. At a high scientific and methodological level, he teaches professional training disciplines using modern information and communication technologies. He has developed and is actively implementing interactive distance learning courses posted on the Distance Learning Portal in the educational process.

M. Stopin is the author of more than 50 scientific and educational works, co-author of 3 collective monographs and teaches disciplines on the practice and theory of English, sociolinguistics, interactive picture of the digitalised world, dialects and variations of English, modern language paradigm of English, English in the media at a high methodological and scientific level. He pays considerable attention to the development of the scientific potential of higher education students, acting as a supervisor and reviewer of their research. He was a member of the professional jury of the first stage of the All-Ukrainian competition for the defence of research works of students-members of the Junior Academy of Sciences of Ukraine (English Language and English Literature) (2022-2024). Maksym Stopin is constantly improving his professional competence as a teacher and researcher.

For his significant personal contribution to the development of science and education, he was awarded the Acknowledgement of the Department of Family and Youth Affairs of the Donetsk Regional State Administration (Order No. 167-o of 03.11.2016), the Certificate of Appreciation of the Department of Education of the Mariupol City Council (Order No. 4347 of 03.05.2017), the Acknowledgement of the Department of Education and Science of the Donetsk Regional State Administration (Order No. 146/165-21k of 06.05.2021), the gratuities of the Rector of the Mariupol State University
